## LIVING COSTS IN KALININGRAD (NOT INCLUDED ABOVE)

| ITEM | AMOUNT |
|------|--------|
|------|--------|

## NOTES

Most families apply for an education loan. Indian banks lend based on the applicants' eligibility. Note: Living costs are separate from tuition fees, and students who share rooms and cook their own meals can keep overall expenses lower. All the presented values are subject to change, depending on the inflation rate, exchange rate, lifestyle habits, and other factors.
